

THIRD BERGAMO OPEN RHINOPLASTY COURSE:

From Fundamentals to Finesse

Course Directors: Enrico Robotti, Riccardo Mazzola

FINAL PROGRAM

Thursday March 1

07.15 Registration / Breakfast
07.50 Welcome and introduction

Refresher Course: the basics 08.00 -11.00

Chair: C.East

08.00-08.25	Open anatomy videos: cadaver vs. live	F.Ingallina
08.25-08.55	Understanding "Open" anatomy: 3D video	L.P.Dombard
08.55-09.15	Functional anatomy of the nose revisited	M.Bussi
09.15-09.50	Understanding the basic "Open" technique: 3D video	L.P.Dombard
09.50-10.20	The steps of open rhinoplasty and overview of grafting techniques	E.Robotti
10.20-10.45	The steps of open septoplasty	C.East
10.45-11.00	Photography, computer imaging and evaluating the candidate	C.East

Advanced minicourses (Sala Alabastro) 08.00 -11.00

Moderator: R.Mazzola

08.00-09.00	course 1: <i>Diced Cartilage and Fascia grafts</i>	J.Calvert
09.00-10.00	course 2: <i>Revision Rhinoplasty</i>	H.Foda
10.00-11.00	course 3: <i>Advanced Refinements in Tip grafting</i>	O.Gerbault

11.00-11.15 Coffee break/Exhibits

Analysis and dynamics of rhinoplasty

Chairs: M.Pelle Ceravolo, S.Bruschi

11.15-11.30	Charm and beauty: the nose in western culture	R.Oddenino
11.30-11.45	Clinical analysis of the nose	R.Daniel
11.45-12.00	How to assess ideal proportions in open rhinoplasty	S.Bruschi
12.00-12.20	General principles of open rhinoplasty: a personal philosophy	R.Daniel

12.20-13.00 ***Faculty Panel: Clinical Cases Analysis and Peri-op Management***
Panelists: J. Calvert, N. Cerkes, C. East, O. Gerbault, J. Palacin
Moderator: R. Daniel

13.00-14.00 Lunch/Exhibits

Understanding the procedure: the steps which matter

Chair: R.Mazzola

14.00-14.45	Open rhinoplasty: the concepts	G.Aiach
14.45-15.15	Primary open rhinoplasty technique (interactive video)	N.Cerkes
15.15-15.50	Primary open rhinoplasty technique (interactive video)	W.Gubisch
15.50-16.00	Follow-up on the cases of the Second Course	
16.00-16.15	Coffee break/Exhibits	

*The Tip (part I)**Chairs: G.Aiach, R.Daniel*

16.15-16.45	Sutures and Grafts	R.Daniel
16.45-17.00	Refinements in tip grafts	O.Gerbault
17.00-17.15	Increasing and decreasing projection	W.Gubisch
17.15-17.30	Increasing and decreasing length	J.Calvert
17.30-17.45	Tip projection: making it right the first time	J.Calvert
17.45-18.00	The plunging tip	R.Daniel
18.00-18.25	My preferred techniques for accurate adjustment of tip projection and rotation:	1) H.Foda, 2) N.Cerkes
18.25-18.40	Septal extension grafts to stabilize the desired projection	E.Robotti
18.40-18.50	Tongue-in-groove technique to stabilize the tip	A.Dacho
18.50-19.00	Controlling nasal length with extended spreader grafts	J.Palacin
19.00-19.10	Preferred techniques for reinforcing and defining the nasal tip	A.Kuzanov
19.10-19.20	Q & A	

19.20-20.00 **Faculty Panel: Tip Management (preferences in tip grafting- tip sutures)**
Panelists: G. Aiach, R. Daniel, H. Foda, E. Robotti
Moderator: W. Gubisch

20.00 *Welcome cocktail*

Friday March 2

06.45 *Breakfast*

*The Tip (part II) and Alae**Chairs: W.Gubisch, H.Foda*

07.00-07.10	Lateral crura transposition and variations	O.Gerbault
07.10-07.20	Alar cartilages malposition ("parenthesis" deformity)	N.Celik
07.20-07.35	Alar struts to reinforce/straighten the lateral crura and a new method to treat the alar cartilages (video)	J.Palacin
07.35-07.45	Correction of concave lateral crura: three options (video)	J.B.Duron
07.45-07.55	Lower lateral crura reverse plasty (video)	A.Dacho
07.55-08.10	Lateral crura struts, alar contour grafts and how to address alar retraction	R.Daniel
08.10-08.25	Alar base surgery	R.Daniel
08.25-08.35	Narrowing the nasal base (video)	H.Foda
08.35-08.45	The basal view in open rhinoplasty	R.Mazzola

08.45-09.10 Teaching cases videos (tip)
 Discussant: O. Gerbault
 S.Grappolini , F.B.Preis,
 L.Siliprandi

09.10-09.15 Q & A

The Dorsum

Chairs: N.Cerkes, J.Palacin

09.15-09.40	Achieving the natural dorsum in rhinoplasty	N.Cerkes
09.40-10.00	Dorsal reduction and spreader flaps	R.Daniel
10.00-10.10	Spreader flaps vs. spreader grafts	N.Celik
10.10-10.30	Nasal osteotomies	R.Daniel
10.30-10.35	<i>Q & A</i>	
10.35-10.50	<i>Coffee break/Exhibits</i>	
10.50-11.10	Dorsal augmentation and the versatility of fascia / DCF	R.Daniel
11.10-11.25	Pitfalls in reduction rhinoplasty	H.Foda
11.25-11.40	Preventive camouflage to the dorsum	O.Gerbault

11.40-12.10 ***Faculty Panel: Dorsum Management***
Panelists: J. Calvert, R. Daniel, H. Foda, W. Gubisch,
Moderator: N. Cerkes

Deviation, Septum and Function

Chairs: C.East, M.Bussi

12.10-12.20	Role of endoscopy in rhinoplasty	R.Mazzola
12.20-12.40	Correction of deviated nose and septum reconstruction	N.Cerkes
12.40-13.00	Septoplasty leaving septum in situ (video)	C.East
13.00-13.15	Functional rhinoplasty and crooked nose (video)	H.Foda
13.15-14.15	<i>Lunch/Exhibits</i>	
14.15 -14.45	Extracorporeal Septoplasty (interactive video)	W.Gubisch
14.45- 14.55	Extracorporeal Septoplasty: tricks and tips	R.Rupprecht
14.55-15.10	Management of turbinates and a new suture to fix the repositioned caudal septum to the spine (3D video)	P.Gottarelli
15.10-15.20	Use of a PDS foil in rhinoseptoplasty	J.B.Duron
15.20-15.25	<i>Q & A</i>	

15.25-15.50 ***Faculty Panel: What I Changed in the Last 5 yrs of my Practice and Why***
Panelists: J. Calvert, N. Cerkes, R. Daniel, R. Mazzola
Moderator: G. Aiach

Secondary Rhinoplasty and complications

Chairs: J.Calvert, E.Robotti

15.50-16.15	Secondary rhinoplasty (interactive video)	G.Aiach
16.15-16.45	The main errors in rhinoplasty and how to solve them	W.Gubisch
16.45-17.00	<i>Coffee break/Exhibits</i>	
17.00-17.20	Correction of the over-reduced nose	N.Cerkes
17.20-17.40	DCF (Diced Cartilage with Fascia)for dorsal reconstruction and rib grafts revisions	J.Calvert
17.40-17.55	Secondary rhinoplasty (video)	O.Gerbault
17.55-18.05	Fixating a dorsal rib graft with K wire (video)	J.Palacin
18.05-18.20	Dorsal augmentation with composite conchal-fascial grafts	N.Antohi

18.20-18.30	Fascia lata augmentation	K.Lipski
18.30-18.40	How to create an aesthetic dorsum in secondary rhinoplasty	R.Rupprecht
18.40-18.50	New thoughts in treating the inverted-V deformity	M.Kovacevic
18.50-19.00	Q & A	

19.00-19.25	Teaching cases videos (secondary) Discussant: H.Foda	R.Bracaglia, S.Bruschi, G.Giudice
-------------	---	--------------------------------------

19.25-19.45	<i>Faculty Panel: If and When I Use Alloplasts</i> Panelists: L.P.Dombard, H.Foda, O.Gerbault, W.Gubisch Moderator: C. East
-------------	--

19.45 Adjournal

20.45 Gala Dinner

Saturday March 3

06.45 Breakfast

07.10 EarlyBird video: primary rhinoplasty 20'

R.Mazzola

07.30 EarlyBird video: secondary rhinoplasty 20'

E.Robbotti

07.50-08.00 Presentation of today's cases "how I will do it" (taped)

Live Surgery: Session A

08.00-10.00	<i>Room 1</i>	<i>N.Cerkes (Primary)</i>
-------------	----------------------	----------------------------------

Discussant: E. Robotti

09.00-11.00	<i>Room 2</i>	<i>G.Aiach (Primary)</i>
-------------	----------------------	---------------------------------

Discussant: R. Daniel

11.00-12.00	<i>Interactive Video "Tip suture techniques: a step-by-step guide"</i>	<i>R. Daniel</i>
-------------	---	-------------------------

Live Surgery: Session B

12.00-14.00	<i>Room 1</i>	<i>W. Gubisch (Post-trauma)</i>
-------------	----------------------	--

Discussant: C. East

12.30-16.00	<i>Room 2</i>	<i>J. Calvert (Rib-DCF)</i>
-------------	----------------------	------------------------------------

Discussant: O. Gerbault

13.00-14.00 Lunch Station

16.00-16.30 Selected Abstracts Corner

Chair F.B.Preis

16.30-17.00 Coffee station

16.30-16.40	Use of power instruments in open rhinoplasty	M.Bussi
16.40-16.50	An affordable Acellular Dermal Matrix for the dorsum	O.Gerbault
16.50-17.00	Correcting the internal nasal valve by titanium implant	D.à Wengen
17.00-17.10	Fat grafting in the nose	M.Klinger
17.10-17.20	Rhinoplasty in thick nasal skin	H.Foda
17.20-17.30	The aging nose	E.Robotti
17.30-17.40	Male rhinoplasty	N.Celik
17.40-17.45	Q & A	

*"Medical rhinoplasty" (botox and fillers)**Discussant: G.Botti*

17.45-18.15	Botulinum toxin: the muscular balances (video)	F.Ingallina
18.15-18.45	Use of fillers to tip and dorsum (video hands-on demonstration)	F.Braccini
18.45-19.00	The true effect of medical rhinoplasty	M.Signorini
19.00	Selected Abstracts Corner prize, Wrap-up and Adjournment
